

Teakdecking  
Systems®

**NEW!**

# ECO-300

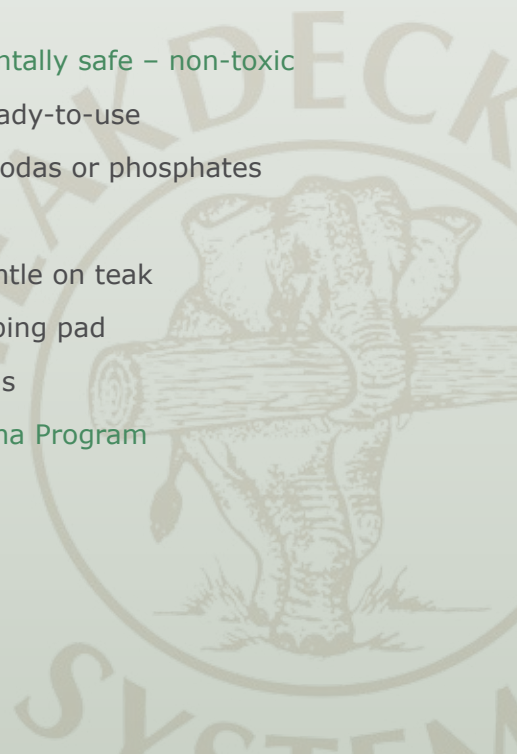

TEAK CLEANER LIQUID & BRIGHTENER

*Ready-to-use 2 in 1 product*

**ECO-300 Teak Cleaner Liquid** has been formulated to be 100% environmentally-friendly and represents the most advanced teak cleaning liquid in the marine industry today. It contains no acid, caustic sodas or phosphates and is non-toxic to the user. **ECO-300 Teak Cleaner Liquid** is designed to not harm your teak, caulking, hardware or paint. It is a **NEW** ready-to-use cleaner that cleans and brightens teak better than harsh chemical cleaners, restoring its original golden color. All ingredients are approved by the National Sanitation Foundation and meet requirements for a truly "green" teak cleaner liquid.

- 100% Environmentally safe – non-toxic
- Pre-mixed and ready-to-use
- No Acid, caustic sodas or phosphates
- Biodegradable
- Tough on dirt, gentle on teak
- Adheres to scrubbing pad
- Cleans & brightens
- Meets Clean Marina Program

# ECO-300

**TEAK CLEANER LIQUID & BRIGHTENER**

*Ready-to-use 2 in 1 product*

## DIRECTIONS FOR USE

- Transfer **ECO-300 Teak Cleaner Liquid** at full strength to a suitable container with easy access for your white scrub pad or soft deck brush.
- Wet the area of teak to be cleaned.
- Apply **ECO-300 Teak Cleaner Liquid** and lightly scrub the teak across the grain, never with the grain. Allow to soak for 10 minutes
- If applying in direct sun, rinse in a timely manner to avoid having the released dirt and solution dry. If surface starts to dry, apply more cleaner.
- When rinsing, lightly brush the deck to help release the deep imbedded dirt. Thoroughly rinse the entire area with water and squeegee off excess.

**Note:** On large areas, use of rotary cleaning machines with dispenser tanks and polypropylene bristle brushes is appropriate. However, brushes should not be worn to the point they are short and/or stiff. Short, stiff brushes will cause damage to the teak and caulking.

See our How to Clean Teak video on our Products page at: [www.teakdecking.com](http://www.teakdecking.com)

### FIRST AID:

**Keep out of reach of children.** Avoid contact with skin & eyes. Wear suitable protective clothing, gloves and eye/face protection. Product may cause skin irritation. Harmful if inhaled or swallowed.

In case of contact with eyes or skin, rinse immediately with plenty of water for 15 minutes and seek medical attention. If swallowed, promptly drink a large quantity of water. **DO NOT INDUCE VOMITING.** Seek medical attention. See MSDS for further information.
